People In Our Neighbourhood

Janet Channon

There are people who help us in our neighbourhood, People who help to make our life so good, There are people who help you and me, People in our community.

The rubbish man drives his rubbish truck, He lifts the bin and tips the rubbish in, The rubbish man drives his rubbish truck, He lifts the bin and tips the rubbish in.

There are people who help us in our neighbourhood, People who help to make our life so good, There are people who help you and me, People in our community.

The postman rides his bicycle, In rain or hail he delivers the mail, The postman rides his bicycle, In rain or hail he delivers the mail.

There are people who help us...

The baker mixes bread each day, He rolls it round and kneads and pounds. The baker mixes bread each day, He rolls it round and kneads and pounds.

There are people who help us in our neighbourhood, People who help to make our life so good, There are people who help you and me, People in our community.

The fire fighter's truck has flashing lights, Squirt water about and put the fire out, The fire fighter's truck has flashing lights, Squirt water about and put the fire out.

There are people who help us...
