

# Noisy Ted

*By Wendy Jensen*

I was trying to go to sleep on Monday night,  
When my Teddy started clapping so I turned on the light,  
I looked at my Teddy and said "What's up with you?"  
He said "See if you can copy all the things that I do."

(4 x echo clapping patterns)

Then we said goodnight and turned out the light.

I was trying to go to sleep on Tuesday night,  
When my Teddy made some noises so I turned on the light  
I looked at my Teddy and said "What's up with you?"  
He said "See if you can copy all the things that I do."

(4 x echo vocal exploration patterns)

Then we said goodnight and turned out the light.

I was trying to go to sleep on Wednesday night,  
When my Teddy started scattng so I turned on the light,  
I looked at my Teddy and said "What's up with you?"  
He said "See if you can copy all the things that I do."

I was trying to go to sleep on Thursday night,  
When my Teddy started giggling so I turned on the light,  
I looked at my Teddy and said "What's up with you?"  
He said "See if you can copy all the things that I do."

(4 x echo giggling patterns)

Then we said goodnight and turned out the light.

I was trying to go to sleep on Friday night,  
When my Teddy started snoring so I turned on the light.  
I looked at my Teddy and said "What's up with you?"  
He said "See if you can copy all the things that I do."

(4 x echo snoring patterns)

Then we said goodnight and turned out the light.
