

# **Minor Walk**

*From Feeling The Beat*

Walking, my feet know what to do,  
Walking, I'm catching up to you,  
Walking, the way that people do,  
Walking on the beat today,  
Walking on the beat today.

Stamping, my feet know what to do,  
Stamping, I'm catching up to you,  
Stamping, the way that dinosaurs do,  
Stamping on the beat today,  
Stamping on the beat today.

Jumping, my feet know what to do,  
Jumping, I'm catching up to you,  
Jumping, the way that kangaroos do,  
Jumping on the beat today,  
Jumping on the beat today.

Slithering, my feet know what to do,  
Slithering, I'm catching up to you,  
Slithering, the way that snails do,  
Slithering on the beat today,  
Slithering on the beat today.

Spider walk, my feet know what to do,  
Spider walk, I'm catching up to you,  
Spider walk, the way that spiders do,  
Walking on the beat today,  
Walking on the beat today.
