

# **That's What I Like To Do**

*From Feeling The Beat*

Clapping my hands on the beat,  
Clapping my hands on the beat,  
Clapping my hands on the beat,  
That's what I like to do.

Patting my elbow on the beat,  
Patting my elbow on the beat,  
Patting the other one on the beat,  
That's what I like to do.

Patting my shoulders on the beat,  
Patting my shoulders on the beat,  
Cross my hands over on the beat,  
That's what I like to do.

Playing my instrument on the beat,  
Playing my instrument on the beat,  
Playing my instrument on the beat,  
That's what I like to do.

Playing it softly on the beat,  
Playing it softly on the beat,  
Playing it softly on the beat,  
That's what I like to do.

Playing it loudly on the beat,  
Playing it loudly on the beat,  
Playing it loudly on the beat,  
That's what I like to do
