

# Turn The Other Way

*From Feeling The Beat*

Pat, pat, pat your shoulders and clap your hands,  
Pat, pat, pat your shoulders and clap your hands,

Walk, walk, walk around then turn the other way,  
Walk, walk, walk around and walk around all day.

Pat, pat, pat your shoulders and clap your hands,  
Pat, pat, pat your shoulders and clap your hands,

Stamp, stamp, stamp around then turn the other way,  
Stamp, stamp, stamp around and stamp around all day.

Pat, pat, pat your shoulders and clap your hands,  
Pat, pat, pat your shoulders and clap your hands,

Jump, jump, jump around then turn the other way,  
Jump, jump, jump around and jump around all day.

Pat, pat, pat your shoulders and clap your hands,  
Pat, pat, pat your shoulders and clap your hands,

Slide, slide, slide around then turn the other way,  
Slide, slide, slide around and slide around all day.

Pat, pat, pat your shoulders and clap your hands,  
Pat, pat, pat your shoulders and clap your hands,

Fly, fly, fly around then turn the other way,  
Fly, fly, fly around and fly around all day.
