

# My Colour World

*By Janet Channon*

Colours, they bring my world alive,  
Colours, they dance before my eyes,  
Sunshine glistens, twirling ribbons,  
Watch them as they fly.

Red, orange, yellow flames flickering higher,  
See all the colours of the flickering fire,  
Hot colours dancing, beware of the heat,  
Hot colours dancing, now don't burn your feet.

Colours, they bring my world alive....

Browns and the luscious shades of forestry green,  
Quiet tall trees and the earth in between,  
Strong trunks and branches and twigs all in brown,  
Green leaves are bustling and rustling around.

Colours, they bring my world alive....

Blues and the whites of the waves on the ocean,  
Wild and wind-blown, they're always in motion,  
Home to the dolphins and fish down below,  
Dancing and diving and swimming they go.

Colours, they bring my world alive....
