

Copy Your Partner

By Wendy Jensen

I'm clapping my hands and I'm stamping my feet,
I'm jumping up high and I'm patting the beat,
Clicking my fingers and walking around,
Reaching up high, twisting down to the ground,
Patting the floor as loud as can be,
Patting my knees very quietly,
Jump up again and find a partner,
Get ready to copy first one then the other.

Copy your partner and do as they do,
Copy your partner and see how they move,
Copy your partner and do as they do,
Copy your partner and then change over,
Copy your partner and do as they do,
Copy your partner and see how they move,
Copy your partner and do as they do,
Copy your partner and then start over again.
