

Connections

By Wendy Jensen

Moving, this time it's backwards,
Clicking my fingers, move where I please.
Find a friend and make a connection,
Knee to knee and freeze.

Stay connected and improvise on your cheeks,
Stay connected and improvise on your chest,
Stay connected and improvise on your knees,
Disconnect then turn and walk away.

Moving, this time it's sideways,
Clicking my fingers, move where I please.
Find a friend and make a connection,
Hip to hip and freeze.

Stay connected and improvise on your cheeks,
Stay connected and improvise on your chest,
Stay connected and improvise on your knees,
Disconnect then turn and walk away.

Moving, this time it's down low,
Clicking my fingers, move where I please.
Find a friend and make a connection,
Back to back and freeze.

Stay connected and improvise on your cheeks,
Stay connected and improvise on your chest,
Stay connected and improvise on your knees,
Disconnect then turn and walk away.

Moving, this time it's free choice,
Clicking my fingers, move where I please.
Find a friend and make a connection,
Elbow to elbow and freeze.

Stay connected and improvise on your cheeks,
Stay connected and improvise on your chest,
Stay connected and improvise on your knees,
Disconnect then turn and walk away.
