

## **I'm A Snail**

*From Teddy Jumps*

My name is Jack, I'm a snail,  
House on my back, I'm a snail,  
Feelers in front help me know where to go,  
Slithering, slithering is so slow,  
Big black clouds, quick time to hide,  
Curl up small, hide inside,  
My precious house is shelter from the rain,  
Sun comes out then off I go again.
