

When Is Your Birthday?

By Janet Channon

When is your birthday?
It's your special day,
When is your birthday?
Jump up when we say,
When is your birthday?
A day full of fun,
When is your birthday?
We all have one.

January,
February,
March,
April,
May,
June,
July,
August,
We're already past half way,
September,
October,
The end is coming near,
November,
December,
It's the end of the year.

When is your birthday?
It's your special day,
When is your birthday?
Jump down when we say,
When is your birthday?
A day full of fun,
When is your birthday?
We all have one.

January...

When is your birthday?
It's your special day,
When is your birthday?
Jump up when we say,
When is your birthday?
A day full of fun,
When is your birthday?
We all have one.

January...
