

Play The Whole Day Through

From Pukeko Stomp

Feel the beat, play along with me,
Singing a song, lots of energy,
Rock 'n' roll, or just humming the blues,
We'll play the whole day through.

Softly now, play along with me
Singing a song, lots of energy,
Rock 'n' roll, or just humming the blues,
We'll play the whole day through.

Loudly now, play along with me
Singing a song, lots of energy,
Rock 'n' roll, or just humming the blues,
We'll play the whole day through.

Slowly now, play along with me
Singing a song, lots of energy,
Rock 'n' roll, or just humming the blues,
We'll play the whole day through.

Quickly now, play along with me
Singing a song, lots of energy,
Rock 'n' roll, or just humming the blues,
We'll play the whole day through.
