

# Digging

*From Pukeko Stomp*

I'm digging, digging in the garden,  
I'm digging with my special garden spade,  
I'm digging, digging in the garden,  
Can you see the great big hole that I have made?

Worms are wriggling in the ground,  
Quiet wriggling makes no sound,  
Crickets jumping in the sun,  
Crickets jumping, having fun.

I'm digging...

Pulling out unwanted weeds,  
Planting lots of tiny seeds,  
Pulling, pulling, planting, planting,  
This is what my garden needs.

I'm digging...

Water plants to make them grow,  
Water all the seeds I sow,  
Birds are flying way up high,  
Wave to me as they fly by.

I'm digging...

Resting underneath a tree,  
Pick an apple just for me,  
Lying back so lazily,  
Snoozing quite contentedly.

Do do...
