

Good Manners

From Splish Splash Splosh

Remember to say "please" and "thank you",
Everywhere you go,
Remember to say "please" and "thank you",
'Cause good manners are the way to go.

You - need good manners,
And you - learn good manners,
And you - use good manners,
In so many ways,
You - need good manners,
And you - learn good manners,
And you use them all through the day.

Remember to say "please" and "thank you",
Everywhere you go,
Remember to say "please" and "thank you",
'Cause good manners are the way to go.
