

Jump Out Of Bed

From Splish Splash Splosh

I jump out of bed in the morning,
And put on my shirt for school.
I wash my face.

Man, I look so cool!
Oh no! I forgot something,
Let's try that again.

I jump out of bed in the morning,
And put on my shirt for school.
I wash my face,
And brush my hair.

Man, I look so cool!
Oh no! I forgot something,
Let's try that again.

I jump out of bed in the morning,
And put on my shirt for school.
I wash my face,
And brush my hair,
And eat my breakfast.

Man, I look so cool!
Etc.

I jump out of bed in the morning,
And put on my shirt for school.
I wash my face,
And brush my hair,
And eat my breakfast,
And clean my teeth.

Man, I look so cool!
Etc.

I jump out of bed in the morning,
And put on my shirt for school.
I wash my face,
And brush my hair,
And eat my breakfast,
And clean my teeth,
And put on my shoes.

Man, I look so cool!
Etc.

I jump out of bed in the morning,
And put on my shirt for school.
I wash my face,
And brush my hair,
And eat my breakfast,
And clean my teeth,
And put on my shoes,
And put on my hat.

Man, I look so cool!
Etc.

I jump out of bed in the morning,
And put on my shirt for school.
I wash my face,
And brush my hair,
And eat my breakfast,
And clean my teeth.
And put on my shoes,
And put on my hat,
And put on my pants!
Now I'm ready for school!
