

## Make A Shape

*From Splish Splash Splosh*

I'm going up, up, up,  
Make a shape that is high,  
I'm going down, down, down,  
Make a shape near the ground,  
I'm going up, up, up,  
Make a shape that is high,  
Then I bend and stretch in the middle.

I'm going out, out, out,  
Make a shape that is wide,  
I'm going in, in, in,  
Make a shape that is thin,  
I'm going out, out, out,  
Make a shape that is wide,  
Then I bend and stretch in the middle.

Stamp, stamp, stamp,  
That's what I like to do,  
Stamp, stamp, stamp,  
I'm catching up to you,  
Jump, jump, jump,  
Jumping on the spot,  
Jump and then we stop.
