

Parachute Journey

From Splish Splash Splosh

We're going on a journey,
We're leaving bright and early,
Going on a journey,
Right away,
Going on a journey,
We're leaving bright and early,
Going on a journey,
Due back another day.

Up the hill, down the hill,
Up the hill, down the hill,
Over the stormy sea.
Up the hill, down the hill,
Up the hill, down the hill,
Over the stormy sea.

(Repeat once at same speed, then once faster)

We're back from our journey,
We left bright and early,
Back from our journey,
Far away.
Back from our journey,
We left bright and early,
Back from our journey,
We just came back today,
We just came back today,
We just came back today.
