

Splish Splash Splosh

From Splish Splash Splosh

I'm jumping splish, splash, splosh,
In my gumboots,
Splish, splash, splosh,
When it rains,
I'm jumping splish, splash, splosh,
See the water,
Splish, splash, splosh,
Going down the drain.

Pitter patter, pitter patter, little raindrops,
Pitter patter, pitter patter, when it rains,
Pitter patter, pitter patter, see the water,
Pitter patter, pitter patter, down the drain.

But I have boots and a gorgeous umbrella,
A groovy rain coat I'm a "stay dry" fella,
I have boots and a gorgeous umbrella,
A groovy rain coat I'm a "stay dry" fella.
