

# Tightrope Fun

*From Splish Splash Splosh*

Walking on my tightrope,  
Must keep my balance as I'm  
High up in the air,  
Backwards on my tightrope,  
Must keep my balance as I  
Walk from here to there.

Jump, jump, jump on my tightrope,  
Balance on one leg,  
Hop, hop, hop on my tightrope,  
Touch my toes and begin again.

Tiptoe on my tightrope,  
Must keep my balance as I'm  
High up in the air,  
Backwards on my tightrope,  
Must keep my balance as I,  
Walk from here to there.

Jump, jump, jump on my tightrope  
Balance on one leg,  
Hop, hop, hop on my tightrope,  
Touch my toes and begin again.

Heels on my tightrope,  
Must keep my balance as I'm  
High up in the air,  
Backwards on my tightrope,  
Must keep my balance as I  
Walk from here to there.

Jump, jump, jump on my tightrope.....

Knees bent on my tightrope,  
Must keep my balance as I'm  
High up in the air,  
Backwards on my tightrope,  
Must keep my balance as I  
Walk from here to there.

Jump, jump, jump on my tightrope.....

Walking on my tightrope.....
