

# Coloured Circles

*By Wendy Jensen*

With my finger I can trace round  
An orange circle,  
Orange circle,  
Round and round.

With my finger I can trace round  
An orange circle,  
Orange circle I have found.

I point with my finger  
And count to five,  
One, two, three, four, five,  
I can start again  
And count even further,  
One, two, three, four, five,  
Six, seven, eight, nine, ten.
