

Little Starfish

From Swing Thing

One little starfish dancing beneath the sea,
Golden and shimmering, moving so gracefully,
Look behind that rock, and what do you see?
Another little starfish, count them now with me.
1, 2

Two little starfish dancing beneath the sea,
Golden and shimmering, moving so gracefully,
Look behind that rock, and what do you see?
Another little starfish, count them now with me.
1, 2, 3

Three little starfish dancing beneath the sea,
Golden and shimmering, moving so gracefully,
Look behind that rock, and what do you see?
Another little starfish, count them now with me.
1, 2, 3, 4

Four little starfish dancing beneath the sea,
Golden and shimmering, moving so gracefully,
Look behind that rock, and what do you see?
Another little starfish, count them now with me.
1, 2, 3, 4, 5
