

# Sing To Me A lullaby

*From Swing Thing*

I need to close my eyes and dream,  
Doze in flowers in a mountain stream,  
Catch some zeds and hit the hay,  
Gotta get some shut-eye,  
I want that sleep and very soon,  
I'll rest where doves perch on the moon,  
Drape a silver sky with lace,  
Shadows form a warm place.

Drifting, I am drifting away,  
And I can easily lose my way,  
And when I finally fall off to sleep,  
I lose my senses,  
Sing to me a lullaby,  
Sing to me a lullaby.

(Instrumental)

Drifting, I am drifting away.....

I need to close my eyes and dream.....

Drifting, I am drifting away.....
