

# Move and Turn

*By Wendy Jensen*

I walk and walk and walk around,  
I walk and then I stop!  
I walk and walk and walk around,  
I walk and then I stop!

Turning very slowly,  
In a circle once around,  
Turning back the other way,  
Unwind without a sound.

I jump and jump and jump around,  
I jump and then I stop!  
I jump and jump and jump around,  
I jump and then I stop!

Turning very slowly...

I jog and jog and jog around...

Turning very slowly...

I creep and creep and creep around...
