

My Favourite Drum

By Wendy Jensen

I play my drum, I play my drum,
I play my drum, it's my favourite one.
I play my drum, my favourite one,
With my fingers and my thumbs.
And I can drum and drum and stop!
Drum and drum and stop!
Drum and drum and drum and then I stop!

I play my drum, I play my drum,
I play so softly on my drum,
I play my drum, my favourite one,
With my fingers and my thumbs.
And I can drum and drum and stop!
Drum and drum and stop!
Drum and drum and drum and then I stop!

I play my drum, I play my drum,
I play so loudly on my drum,
I play my drum, with my fingers and my thumbs.
And I can drum and drum and stop!
Drum and drum and stop!
Drum and drum and drum and then I stop!
