

Raspberry Seeds

By Janet Channon

I'm planting lots of raspberry seeds,
Will they grow?
I don't know,
I'm planting lots of raspberry seeds,
Wherever they grow,
I have to blow.

Watch out!
There's a raspberry,
Watch out!
There's a raspberry,
Watch out!
There's a raspberry
And another one.

Watch out!
There's a raspberry,
Watch out!
There's a raspberry,
Watch out!
There's a raspberry,
Blow some raspberry fun.
