

Tickle Them This Way

By Wendy Jensen

I can pat my knee, (echo),
Pat the other knee, (echo),
Look at clever me, (echo),
Then tickle them, this way.

I can pat my knee, (echo),
Pat the other knee, (echo),
Look at clever me, (echo),
Then tickle them, this way.

I can clap my feet, (echo),
Walk them in the air, (echo),
Walk them everywhere, (echo),
Then tickle them this way.

I can clap my feet, (echo),
Walk them in the air, (echo),
Walk them everywhere, (echo),
Then tickle them this way.
