

Tummy Time

By Wendy Jensen

Tummy time,
Lying on the floor together,
Tummy time,
Pat the floor in time together,
Tummy time,
Lying on the floor together,
Lying on the floor and having fun.

Here comes a spider,
Creeping up to your nose,
Gives you a kiss,
Then off he goes,
Now a marching soldier,
Marches up to your nose,
Gives you a kiss then
Off he goes.

Tummy time,
Stroking, sharing time together,
Tummy time,
Share the cosy time together,
Tummy time,
Lying on the floor together,
Lying on the floor and having fun.

Here comes a spider...

Tummy time...
