

Music Day

From Teddy Jumps

It's a music day,
We're going to sing and play,
Come and dance around with me,
It's a music day,
We're going to sing and play
And clap hands, one, two, three.

Stretch up tall, stretch up tall,
Bend down low, bend down low,
Wave to the people, wave to the people
Hello, hello,
Stretch up tall, stretch up tall,
Bend down low, bend down low,
Wave to the people, wave to the people,
Off we go, off we go.

It's a music day,
We're going to sing and play,
Come and dance around with me,
It's a music day,
We're going to sing and play
And clap hands, one, two, three.
