

## **Swing**

*From Teddy Jumps*

Swing, swing, swing me around,  
Swing me up high then down on the ground.  
Swing, swing, swing me around,  
Swing me up high then down on the ground.

Stamp, stamp, stamping around  
Stamp, stamp, big stamping sound.  
Stamp, stamp, stamping around,  
Lift me up high then down on the ground.

Swing, swing, swing me around.....

Jump, jump, jumping around,  
Jump, jump, big jumping sound.  
Jump, jump, jumping around,  
Lift me up high then down on the ground.

Swing...
