

I Have a Band

From Wriggle and Jiggle

I have a band and the band sounds great,
We play our music from morning till late,
We play our sound in many different ways,
How shall we play our song today?

We can play slowly,
We can play slowly,
We can play slowly,
In our music band today,
We can play quickly, quickly, quickly,
We can play quickly, quickly, quickly,
We can play quickly, quickly, quickly,
In our music band today.

I have a band and the band sounds great,
We play our music from morning till late,
We play our sound in many different ways,
How shall we play our song today?

We can play softly, softly,
We can play softly, softly,
We can play softly, softly,
In our music band today,
We can play loudly, loudly,
We can play loudly, loudly,
We can play loudly, loudly,
In our music band today.

I have a band and the band sounds great.....

We can play slowly and loudly,
Slowly and loudly,
Slowly and loudly,
Our music band today,
We can play quickly and softly,
We can play quickly and softly,
We can play quickly and softly,
In our music band today.

Our music band today.
Our music band today.
Our music band today.
