

# Draw A Squiggle

*From Wriggle and Jiggle*

Draw a squiggle on my back with your finger,  
Draw a squiggle I can feel through my skin,  
Draw a squiggle with your tickling finger,  
I can feel the squiggle tickling in.

Draw a line on my back with your finger,  
Draw a line I can feel through my skin,  
Draw a line with your tickling finger,  
I can feel the line tickling in.

Draw a circle on my back with your finger,  
Draw a circle I can feel through my skin,  
Draw a circle with your tickling finger,  
I can feel the circle tickling in.

Draw some dots on my back with your finger,  
Draw some dots I can feel through my skin,  
Draw some dots with your tickling finger,  
I can feel the dots tickling in.

Draw a squiggle on my back with your finger,  
Draw a squiggle I can feel through my skin,  
Draw a squiggle with your tickling finger,  
I can feel the squiggle tickling in.

I can feel the squiggle tickling in.  
I can feel the squiggle tickling in.
