

## In Between

*From Wriggle and Jiggle*

Have you seen where I can clap?  
Have you seen? Have you seen?  
Have you seen where I can clap?  
Tell me have you seen?

In front of my knees, (in front of my knees),  
Behind my knees, (behind my knees),  
And in between, in between,  
Tell me have you seen?  
In between, in between,  
Tell me have you seen?

Beside my knees, (beside my knees)  
Beside my knees, (beside my knees),  
And in between, in between,  
Tell me have you seen?  
In between, in between,  
Tell me have you seen?

Have you seen where I can shake?  
Have you seen? Have you seen?  
Have you seen where I can shake?  
Tell me have you seen?  
In front of my knees, (in front of my knees),

Behind my knees, (behind my knees),  
And in between, in between,  
Tell me have you seen?  
In between, in between,  
Tell me have you seen?

Beside my knees, (beside my knees)  
Beside my knees, (beside my knees),  
And in between, in between,  
Tell me have you seen?  
In between, in between,  
Tell me have you seen?

Have you seen where I can clap? .....

In front of my knees, (in front of my knees).....
