

My Boat

From Wriggle and Jiggle

I'm sitting in a boat
And my boat is on the sea,
The waves are rolling,
The waves are rolling me.
I'm sitting in a boat
And my boat is on the sea,
The waves are rolling,
The waves are rolling me.

I'm sitting in a boat
And I'm catching fish for tea,
Haul it up, haul it up,
Haul it up with me.
I'm sitting in a boat
And I'm catching fish for tea,
Haul it up, haul it up,
Haul it up with me.
I'm sitting in a boat
And my boat is on the sea,
The waves are rocking,
The waves are rocking me.

I'm sitting in a boat
And my boat is on the sea,
The waves are rocking,
The waves are rocking me.
I'm sitting in a boat
And my boat is on the sea,
The waves are rolling,
The waves are rolling me.

I'm sitting in a boat
And my boat is on the sea,
The waves are rolling,
The waves are rolling me.
