

See Me Go In

From Wriggle and Jiggle

See me go in, in, in,
And out, out, out,
See me go round, round, round,
And shout "Oi!"
See me go in, in, in,
And out, out, out,
See me go round, round, round,
And shout "Oi!"

See me go sideways and stop,
See me go sideways and stop,
See me go sideways and stop,
See me go sideways and flop!
