

# Close Your Eyes

*From You've Got To Clap*

Go to sleep my small one,  
Close your eyes,  
Day is nearly all done,  
Close your eyes.

Sky is all aglow now,  
Soon be dark,  
Time for sun to go now,  
Soon be dark.

Go to sleep my small one,  
Close your eyes,  
Day is nearly all done,  
Close your eyes.

In the black a far light  
Winks to me,  
One by one a star light  
Winks to me.
