

Colour Dancing

From You've Got To Clap

Show us your green ribbon, wave it up high,
Show us your green ribbon, wave it down low.
Dance with your ribbon, away you go,
Wave it up high and wave it down low.

Off you go whirling, swirling, whirling,
Off you go dancing, prancing, dancing,
Off you go soaring, roaring, soaring,
Flying, sighing, down again.

Show us your yellow ribbon, wave it up high,
Show us your yellow ribbon, wave it down low,
Dance with your ribbon, away you go,
Wave it up high and wave it down low.

Off you go whirling, swirling, whirling,
Off you go dancing, prancing, dancing,
Off you go soaring, roaring, soaring,
Flying, sighing, down again.
