

It's A Great Day

From You've Got To Clap

It's a great day, it's a great day,
For singing a song, for singing a song
It's a great day, it's a great day
Come sing along, come sing along.

We'll clap our hands, we'll clap our hands
And pat the beat, and pat the beat,
And wriggle our hips, and wriggle our hips,
And stamp our feet, and stamp our feet
We'll jump up and down, we'll jump up and down,
And turn around, and turn around,
And then we'll say "Hello, how are you today?"

It's a great day, it's a great day,
For singing a song, for singing a song
It's a great day, it's a great day
Come sing along, come sing along.

We'll clap our hands, we'll clap our hands
And pat the beat, and pat the beat,
And wriggle our hips, and wriggle our hips,
And stamp our feet, and stamp our feet
We'll jump up and down, we'll jump up and down,
And turn around, and turn around,
And then we'll say "Kia ora, kei te pehea koe?"
