

Let's Play The Drum

From You've Got To Clap

Let's clap our hands (ta titi ta),
Let's clap our hands (ta titi ta),
Let's clap our hands (ta titi ta),
At music time today.

We can clap, we can clap, we can clap our hands,
We can keep the beat all day long.
We can clap, we can clap, we can clap our hands,
We can keep the beat and sing along.

Let's play the drum (ta titi ta),
Let's play the drum (ta titi ta),
Let's play the drum (ta titi ta),
At music time today.

We can play, we can play on the instruments,
We can keep the beat all day long.
We can play, we can play on the instruments,
We can keep the beat and sing along.

Let's play coconut (ta titi ta),
Let's play coconut (ta titi ta),
Let's play coconut (ta titi ta),
At music time today.

We can play, we can play on the instruments,
We can keep the beat all day long.
We can play, we can play, on the instruments,
We can keep the beat and sing along.
