

# **Touch My Toes**

*From You've Got To Clap*

I can pat my head,  
I can clap my hands,  
I can pat my knees  
And I can touch my toes.

I can walk and walk around the room,  
Walking all the time,  
I can jump and jump around the room,  
Jumping all the time.

I can pat my head...

I can stamp and stamp around the room,  
Stamping all the time,  
I can hop and hop around the room,  
Hopping all the time.

I can pat my head...
