

We Can Walk

From You've Got To Clap

We can walk around the room,
We can walk around the room,
We can walk around the room,
Walking all the time.

We can jump around the room,
We can jump around the room,
We can jump around the room,
Jumping all the time.

We can crawl upon our knees...
Crawling all the time.

We can walk and clap our hands...
Walking all the time.

We can stamp and pat our shoulders...
Stamping all the time.

We can creep and roll our hands...
Creeping all the time.
